The Trustees (who are also directors of City of Cambridge Education Foundation for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the affairs of the charitable company and the incoming resources and application of the resources, including the income or expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and;
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

**Small company provisions**

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

This report was approved by the Trustees at the meeting on 30th January 2016 and signed on its behalf by

### **Independent Auditor's Report to the Trustees of City of Cambridge Education Foundation**

---

We have audited the financial statement of City of Cambridge Education Foundation for the year ended 31 August 2015 which comprise the Statement of Financial Activities, the Balance Sheet, and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charitable company's trustees, as a body, in accordance with regulations made under section 154 of the Charities Act 2011. Our audit work has been undertaken so that we state to the charitable company's trustees those matter we are required to state to then in the auditor's report an for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

#### **Respective responsibilities of trustees and auditor**

As explained more fully in the Trustees Responsibilities Statement, set out on page 3, the trustees who are also the directors of the charitable company for the purpose of company law are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

The trustees have elected for the financial statements to be audited in accordance with the Charities Act 2011 rather than the Companies Act 2006. Accordingly we have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our responsibility is to audit and express an opinion on the financial statement in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

#### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by Trustees; and the overall presentation of the financial statements. In addition, we read all the financial statements and non-financial information in the Trustees annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### **Option on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 August 2015, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (applicable to smaller entities); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

- the information given in the Trustees Annual Report is inconsistent in any material aspect with the financial statements; or
- the charitable company has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**1 Accounting policies**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) and following the recommendations in Accounting and Reporting by Charities: Statement of Recommended Practice (SORP 2005) issued in March 2005.

The charity owns 100% of the issued share capital of City of Cambridge Education Limited. The trustees have not prepared group accounts for the year as the subsidiary is dormant and not material to an understanding of the financial statements.

**Incoming resources**

Incoming resources are included in the Statement of Financial Activities in the year in which they are receivable.

**Expenditure**

Expenditure is recognised in the year in which it is incurred and is allocated to expense headings such as lettings costs and governance costs on a direct basis.

**Governance costs**

Governance costs are costs associated with the governance of the charity, including legal and regulatory compliance and strategic planning.

**Fixed assets**

Tangible fixed assets are stated at cost.

Depreciation is provided at rates calculated to write down the costs of each asset to its estimated residual value over its expected useful life. The depreciation rates in use are:

Solar panels	- over 10 years
--------------	-----------------

Depreciation costs are allocated to activities on the basis of the use of the related assets in those activities. Assets are reviewed for impairment if circumstances indicate that their carrying value may exceed their net realisable value and value in use.

The freehold buildings occupied by Parkside Community College (now Parkside Federation Academies) automatically vested in the Company on approval of foundation status of the College on 1 September 2004. As such the property is held on trust for the benefit of the College and its disposal or alternative use is restricted by the terms of the statute under which Academy status is granted. Therefore, as the risks and rewards of the buildings are with the Academy, it is shown in the accounts of Parkside Federation Academies and not in these financial statements. As detailed in note 4, the land remains with the Foundation.

**Investments**

Fixed asset investments are stated at cost less provision for permanent diminution in value.
